

# American College of Veterinary Nutrition

## Case Report Form

Case reports and this form must be submitted electronically as PDF files (submit to [acvnsecretary@gmail.com](mailto:acvnsecretary@gmail.com) with copy to [acvnassistant@gmail.com](mailto:acvnassistant@gmail.com)). The ACVN requires that you certify your case report submission by providing an electronic signature. To certify case report submissions, the Primary Mentor and the applicant must read the text below and provide an electronic signature (type names in the field below).

By signing this form we verify the following:

1. The applicant did have primary case responsibility for the nutritional management of the case submitted as a case report.
2. The applicant did not have any help or aid in writing, preparing, or correcting the case report. (Please note: case reports MAY NOT be reviewed by any other individual (including specialty Diplomates or non-diplomates) for content, grammar, spelling, or syntactical correction).
3. This case report may be used in the future by the American College of Veterinary Nutrition as an example of case reports.
